

## Set the display method of therapist table

There are two ways to display on the therapist table, they are [Selected shop] or [Selected shop and departments].

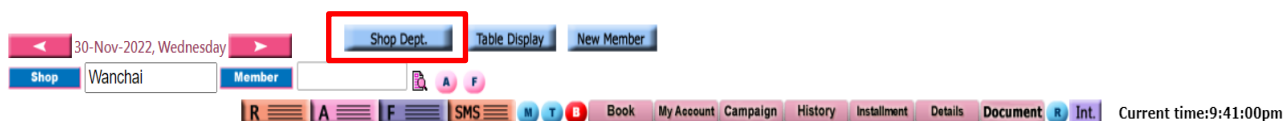

[Selected shop] will display all the therapists accompanying the shop.

The screenshot shows the top navigation bar of the system. The 'Shop All' button is highlighted with a red box. Other buttons include 'Table Display' and 'New Member'. The user profile information shows 'Mr Chan Dai Ming / New / 16-Aug-1980 / Wanchai / Active member'. The current time is 9:39:55pm.

Time	A Cindy	A Mandy	A Ben	A Holly	Unspecified
09:00 am					
09:30 am					
10:00 am					
10:30 am					

[Selected shop and department] will display therapist according to the department, and users can use 'department' to filter.

The screenshot shows the top navigation bar with the 'Shop Dept.' button highlighted in red. The user profile information shows 'Mr Chan Dai Ming / New / 16-Aug-1980 / Wanchai / Active member'. The current time is 9:41:00pm.

Time	A Holly
09:00 am	
09:30 am	
10:00 am	

Therapist department BODY

Therapists with the same skills are assigned to the same department.

## At Main menu> Booking> Select the appropriate booking table> Table display

The screenshot shows the top navigation bar with the 'Table Display' button highlighted in red. The user profile information shows 'Mr Chan Dai Ming / New / 16-Aug-1980 / Wanchai / Active member'. The current time is 10:27:35pm.

At therapist table, display  therapist

No department set for therapist, select [Selected shop] .

The dropdown menu shows three options: 'selected shop', 'selected shop and department', and 'selected shop and department'.

There is a department for therapist, select [Select shop and department].

Submit Reset Close

After completing the settings, press <Submit> to save.
